NOTES:

1. In compliance with the Circular No. 10/2022 dated 28th December, 2022 read with Circular Nos. 14/2020 dated 8th April, 2020, 17/2020 dated 13th April, 2020, 20/2020 dated 5th May, 2020, 02/2021 dated 13th January, 2021, 21/2021 dated 14th December, 2021 and all other relevant Circulars (“MCA Circulars”) issued by the Ministry of Corporate Affairs (“MCA”) and Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 (“SEBI Circular”) issued by the Securities and Exchange Board of India (“SEBI”) and relevant provisions of the Companies Act, 2013 (“the Act”) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), the Annual General Meeting (“AGM”) will be held without the physical presence of Shareholders at a common venue.

In this Annual Report, the connotation of “Members” and “Shareholders” is the same.

2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, forms part of this Notice.
3. Members attending the AGM through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
4. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

However, in pursuance of Section 113 of the Act and Rules framed thereunder, the corporate members (i.e. any Body Corporate) are entitled to appoint authorized representatives for the purpose of voting through remote e-Voting or for the participation and e-Voting during the AGM, through VC or OAVM. Institutional Shareholders (i.e., other than individuals, HUF, NRI, etc.) are required to send scanned copy (PDF / JPG Format) of the relevant Board Resolution / Power of Attorney / appropriate Authorization Letter together with attested specimen signature(s) of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer through e-mail at amitjaincs@yahoo.com with a copy marked to helpdesk.evoting@cdslindia.com.

5. Register of Members and Share Transfer Books of the Company will remain closed from **14th September, 2023 to 25th September, 2023** (both days inclusive) for the purpose of **38th Annual General Meeting**.
6. Details of Directors retiring by rotation / seeking appointment / re-appointment at the ensuing Meeting are provided in the “Annexure” to the Notice pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings (“SS-2”), issued by the Institute of Company Secretaries of India. The Directors have furnished the requisite declarations for their appointment / re-appointment.

We draw your attention to SEBI Circular dated 16th March, 2023 bearing reference no. SEBI/HO/MIRSD/ MIRSD-PoD-1/P/CIR/2023/37, issued in supersession of earlier circulars, whereby SEBI has mandated the following:

The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
21. The Securities and Exchange Board of India ("SEBI") has made it mandatory for all companies to use the bank account details furnished by the Depositories for any payment (including dividend) through Electronic Clearing Service ("ECS") to investors. In the absence of ECS facility, companies shall mandatorily print the bank account details of the investors on such payment instruments. Members are encouraged to avail ECS facility and requested to update bank account details in the prescribed form to their respective Depository Participant(s) and/or the Company's Share Transfer Agents.

As directed by SEBI, the Members holding shares in physical form are requested to submit duly filled in form ISR-1 inter-alia with the original cancelled cheque in the manner as provided in Note No. 10 herein above to RTA to update their KYC details.

22. Voting through electronic means (E-Voting) and E-Voting during the AGM

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) Regulation 44 of the Listing Regulations read with SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020, Members are provided with the facility to cast their vote electronically on all resolutions set forth in this Notice, through remote e-voting during the remote e-voting period. It is hereby clarified that a Member may vote either through availing the remote-e voting facility or using the facility of e-voting during the AGM at his/her/its discretion, as per the instructions provided herein below. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

(I) **THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

Step-1: Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

Step-2: Access through CDSL e-voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on **Friday, 22nd September, 2023 at 9.00 a.m.** and ends on **Sunday 25th September 2023, at 5.00 p.m.** During this period shareholders of the Company, holding shares either in physical form or in Dematerialized form, as on **18th September, 2023** i.e. cut-off date (record date), may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step-1: Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 ("THE ACT"), AND RULES MADE THEREUNDER IN RESPECT OF THE SPECIAL BUSINESS SET OUT IN THE NOTICE, SECRETARIAL STANDARD ON GENERAL MEETINGS (SS-2), WHEREVER APPLICABLE, AND SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015, AS AND WHEREVER APPLICABLE.

Item No. 3

Pursuant to Section 161 of the Companies Act, 2013, the Board, on 14th August, 2023 appointed Mr. Naresh Vyas (DIN: 08247948) as an Additional Director in the capacity of Independent Director of the Company for a term of 5 (five) years with effect from 01st September, 2023 to 31st August, 2028 (both days inclusive) subject to the approval of the shareholders through a special resolution.

The Company has received the following from him:

- (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 ("the Appointment Rules");
- (ii) Intimation in Form DIR-8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act;
- (iii) A declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and under the LODR Regulations;
- (iv) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, and NSE Circular No. NSE/CML/2018/24 dated June 20, 2018, that he has not been debarred from holding office of a director by virtue of any order passed by SEBI or any other such authority;
- (v) Confirmation that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties as an Independent Director of the Company;
- (vi) A declaration that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to her registration with the data bank of independent directors maintained by the Indian Institute of Corporate Affairs.

The Company has received a notice in writing by a member proposing his candidature under Section 160 of the Act.

The Nomination and Remuneration Committee (NRC) had previously finalized the desired attributes for the selection of the independent director(s). Based on those attributes, the NRC recommended the candidature of Mr. Naresh Vyas. In the opinion of the Board, Mr. Naresh Vyas fulfils the conditions for independence specified in the Act, the Rules made thereunder, the LODR Regulations and such other laws / regulations for the time being in force, to the extent applicable to the Company. The Board noted that Mr. Naresh Vyas, skills, background and experience are aligned to the role and capabilities identified by the NRC and that he is eligible for appointment as an Independent Director.

The Board was satisfied that the appointment of Mr. Naresh Vyas is justified due to the following reasons:

- He has experience of General Corporate Management.
- He has extensive experience in Marketing Strategies and Customer Relations.

A copy of the draft letter for the appointment of Mr. Naresh Vyas as an Independent Director setting out the terms and conditions is available for electronic inspection by the members during normal business hours on working days up to the date of AGM.

The resolution seeks the approval of members for the appointment of Mr. Naresh Vyas, as an Independent Director of the Company for a term of 5 (five) years effective 01st September, 2023 to 31st August, 2028 (both days inclusive) pursuant to Sections 149, 152 and other applicable provisions of the Act and the Rules made thereunder including any statutory modification(s) or re-enactment(s) thereof and he shall not be liable to retire by rotation.

Pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India, Details of Mr. Naresh Vyas are provided and form a part of the Notice.

In compliance with Section 149 read with Schedule IV to the Act and Regulation 25 of the LODR Regulations, the approval of the Members is sought for the appointment of Mr. Naresh Vyas as an Independent Director of the Company, as a special resolution.

No director, KMP or their relatives except Mr. Naresh Vyas, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution set out in Item no. 3.

The Board recommends the special resolution as set out in Item no. 3 of this notice for the approval of members.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL ECONOMIC

Overview: The global economic growth was estimated at a slower 3.2% in 2022, compared to 6% in 2021 (which was on a smaller base of 2020 on account of the pandemic effect). The relatively slow global growth of 2022 was marked by the Russian invasion of Ukraine, unprecedented inflation, pandemic-induced slowdown in China, higher interest rates, global liquidity squeeze and quantitative tightening by the US Federal Reserve.

The challenges of 2022 translated into moderated spending, disrupted trade and increased energy costs. Global inflation was 8.7% in 2022, among the highest in decades. US consumer prices increased about 6.5% in 2022, the highest in four decades. The Federal Reserve raised its benchmark interest rate to its highest in 15 years. The result is that the world ended in 2022 concerned that the following year would be slower.

The global equities, bonds, and crypto assets reported an aggregated value drawdown of US\$ 26 trillion from peak, equivalent to 26% of the global gross domestic product (GDP). In 2022, there was a concurrently unique decline in bond and equity markets; 2022 was the only year when the S&P 500 and 10-year US treasuries delivered negative returns of more than 10%.

Gross FDI inflows – equity, reinvested earnings and other capital – declined 8.4% to US\$ 55.3 billion in April- December. The decline was even sharper in the case of FDI inflows as equity: these fell 15% to US\$ 36.75 billion between April and December 2022. Global trade expanded by 2.7% in 2022 (expected to slow to 1.7% in 2023).

The S&P GSCI TR (Global benchmark for commodity performance) fell from a peak of 4,319.55 in June 2022 to 3,495.76 in December 2022. There was a decline in crude oil, natural gas, coal, lithium, lumber, cobalt, nickel and urea realisations. Brent crude oil dropped from a peak of around US\$ 120 per barrel in June 2022 to US\$ 80 per barrel at the end of the calendar year following the enhanced availability of low-cost Russian oil.

Regional growth (%)	FY 2023	FY2022
World output	3.2	6.1
Advanced economies	2.5	5.0
Emerging and developing economies	3.8	6.3

Performance of major economies

United States: Reported GDP growth of 2.1% compared to 5.9% in 2021.

China: GDP growth was 3% in 2022 compared to 8.1% in 2021.

United Kingdom: GDP grew by 4.1% in 2022 compared to 7.6% in 2021.

Japan: GDP grew 1.7% in 2022 compared to 1.6% in 2021.

Germany: GDP grew 1.8% compared to 2.6% in 2021.

Outlook

The global economy is expected to grow 2.8% in 2023, influenced by the ongoing Russia-Ukraine conflict. Concurrently, global inflation is projected to fall marginally to 7%. Despite these challenges, there are positive elements within the global economic landscape. The largest economies like China, the US, the European Union, India, Japan, the UK, and South Korea are not in a recession. Approximately 70% of the global economy demonstrates resilience, with no major financial distress observed in large emerging economies. The energy shock in Europe did not result in a recession, and significant developments, including China's progressive departure from its strict zero-Covid policy and the resolution of the European energy crisis, fostered optimism for an improved global trade performance. Despite high inflation, the US economy demonstrated robust consumer demand in 2022. Driven by these positive factors, global inflation is likely to be still relatively high at 4.9% in 2024. Interestingly, even as the global economy is projected to grow less than 3% for the next five years, India and China are projected to account for half the global growth.

INDIAN ECONOMIC OVERVIEW

Overview: Even as the global conflict remained geographically distant from India, ripples comprised increased oil import bills, inflation, cautious government and a sluggish equity market. India's economic growth is estimated at 6.8% in 2022-23. India emerged as the second fastest-growing G20 economy in 2022-23. India overtook UK to become the fifth-largest global economy. India surpassed China to become the world's most populous nation (*Source: IMF, World Bank*)

Growth of the Indian economy				
	FY 20	FY 21	FY 22	FY23E
Real GDP growth (%)	3.7	-6.6	8.7	6.8
Growth of the Indian economy quarter by quarter, 2022-23				
	Q1FY23	Q2FY23	Q3FY23	Q4FY23
Real GDP growth (%)	13.1	6.3	4.4	4.9

(*Source: Budget FY24; Economy Projections, RBI projections*)

According to the India Meteorological Department, the year 2022 delivered 8% higher rainfall over the long-period average. Due to unseasonal rains, India's wheat harvest was expected to fall to around 102 million metric tons (MMT) in 2022-23 from 107 MMT in the preceding year. Rice production at 132 million metric tonnes (MMT) was almost at par with the previous year. Pulses acreage grew to 31 million hectares from 28 million hectares. Due to a renewed focus, oilseeds area increased 7.31% from 102.36 lakh hectares in 2021-22 to 109.84 lakh hectares in 2022-23.

India's auto industry grew 21% in 2023; passenger vehicle (UVs, cars and vans) retail sales touched a record 3.9 million units in 2023, crossing 3.2 million units in 2019. The commercial vehicles segment grew 33%. Two-wheeler sales fell to a seven-year low; the three-wheeler category grew 84%.

Till the end of Q3FY23, total gross non-performing assets (NPAs) of the banking system fell to 4.5% from 6.5% a year ago. Gross NPA for 2023 was expected to be 4.2% and a further drop is predicted to 3.8% in 2023-24.

As India's domestic demand remained steady amidst a global slowdown, import growth in 2023 was estimated at 16.5% to US\$ 714 billion as against US\$ 613 billion in 2022. India's merchandise exports were up 6% to US\$ 447 billion in 2023. India's total exports (merchandise and services) in 2023 grew 14 percent to a record of US\$ 775 billion in 2023 and is expected to touch US\$ 900 billion in 2024. Till Q3FY23, India's current account deficit, a crucial indicator of the country's balance of payments position, decreased to US\$ 18.2 billion, or 2.2% of GDP. India's fiscal deficit was estimated in nominal terms at ~ Rs. 17.55 lakh crore and 6.4% of GDP for the year ending March 31, 2023. (*Source: Ministry of Trade & Commerce*)

India's headline foreign direct investment (FDI) numbers rose from US\$ 74.01 billion in 2021 to a record US\$ 84.8 billion in 2021-22, a 14% Y-o-Y increase, till Q3FY23. India recorded a robust US\$ 36.75 billion of FDI. In 2022-23, the government was estimated to have addressed 77% of its disinvestment target (Rs. 50,000 crore against a target of Rs. 65,000 crore).

India's foreign exchange reserves, which had witnessed three consecutive years of growth, experienced a decline of approximately US\$ 70 billion in 2022, primarily influenced by rising inflation and interest rates. Starting from US\$ 606.47 billion on April 1, 2022, reserves decreased to US\$ 578.44 billion by March 31, 2023. The Indian currency also weakened during this period, with the exchange rate weakening from Rs. 75.91 to a US dollar to Rs. 82.34 by March 31, 2023, driven by a stronger dollar and increasing current account deficit. Despite these factors, India continued to attract investable capital.

The country's retail inflation, measured by the consumer price index (CPI), eased to 5.66% in March 2023. Inflation data on the Wholesale Price Index, WPI (calculates the overall price of goods before retail) eased to 1.3% during the period. In 2022, CPI hit its highest of 7.79% in April; WPI reached its highest of 15.88% in May 2022. By the close of the year under review, inflation had begun trending down and in April 2023 declined below 5%, its lowest in months.

India's total industrial output for FY23, as measured by the Index of Industrial Production or IIP, grew 5.1% year-on-year as against a growth of 11.4% in 2021-22.

India moved up in the Ease of Doing Business (EoDB) rankings from 100th in 2017 to 63rd in 2022. As of March 2023, India's unemployment rate was 7.8%.

In 2022-23, total receipts (other than borrowings) were estimated at 6.5% higher than the Budget estimates. Tax-GDP ratio was estimated to have improved by 11.1% Y-o-Y in RE 2022-23.

The total gross collection for 2023 was Rs. 18.10 lakh crore, an average of Rs. 1.51 lakh crore a month and up 22% from 2021-22, India's monthly goods and services tax (GST) collections hit the second highest ever in March 2023 to Rs. 1.6 lakh crore. For 2022-23, the government collected Rs. 16.61 lakh crore in direct taxes, according to data from the Finance Ministry. This amount was 17.6% more than what was collected in the previous fiscal.

Per capita income almost doubled in nine years to Rs. 172,000 during the year under review, a rise of 15.8% over the previous year. India's GDP per capita was 2,320 US\$ (March 2023), close to the magic figure of US\$ 2500 when consumption spikes across countries. Despite headline inflation, private consumption in India witnessed continued momentum and was estimated to have grown 7.3% in 2022-23.

Outlook: There are green shoots of economic revival, marked by an increase in rural growth during the last quarter and appreciable decline in consumer price index inflation to less than 5% in April 2023. India is expected to grow around 6-6.5% (as per various sources) in 2024, catalysed in no small measure by the government's 35% capital expenditure growth by the government. The growth could also be driven by broad-based credit expansion, better capacity utilisation and improving trade deficit. Headline and core inflation could trend down. Private sector investments could revive. What provides optimism is that even as the global structural shifts are creating a wider berth for India's exports, the country is making its largest infrastructure investment. This unprecedented investment is expected to translate into a robust building block that, going ahead, moderates logistics costs, facilitates a quicker transfer of products and empowers the country to become increasingly competitive. This can benefit India's exports in general, benefiting several sectors. The construction of national highways in 2022-23 was 10,993 km; the Ministry of Road Transport and Highways awarded highway contracts of 12,375 km in the last financial year (Source: IMF).

The global landscape favours India: Europe is moving towards a probable recession, the US economy is slowing, China's GDP growth forecast of 4.4% is less than India's GDP estimate of 6.8% and America and Europe are experiencing its highest inflation in 40 years.

India's production-linked incentive appears to catalyse the downstream sectors. Inflation is steady. India is at the cusp of making significant investments in renewable energy and other sectors and emerging as a suitable industrial supplement to China. India is poised to outpace Germany and Japan and emerge as the third-largest economy by the end of the decade. The outlook for private business investment remains positive despite an increase in interest rates. India is less exposed to Chinese economic weakness, with much less direct trade with China than many Asian peers.

Broad-based credit growth, improving capacity utilisation, government's thrust on capital spending and infrastructure should bolster investment activity. According to our surveys, manufacturing, services and infrastructure sector firms are optimistic about the business outlook. The downside risks are protracted geopolitical tensions, tightening global financial conditions, and slowing external demand.

UNION BUDGET 2023-24 PROVISIONS

The Budget 2022-23 sought to lay the foundation for the future of the Indian economy by raising capital investment outlay by 33% to Rs. 10 lakh crores, equivalent to 3.3% of GDP and almost three times the 2019-20 outlay, through various projects like PM Gatishakti, Inclusive Development, Productivity Enhancement & Investment, Sunrise Opportunities, Energy Transition and Climate Action, as well as Financing of Investments. An outlay of Rs. 5.94 lakh crore was made to the Ministry of Defence (13.18% of the total Budget outlay). An announcement of nearly Rs. 20,000 crores was made for the PM Gati Shakti National Master Plan to catalyse the infrastructure sector. An outlay of Rs. 1.97 lakh crore was announced for Production Linked Incentive schemes across 13 sectors. The Indian government intends to accelerate road construction in 2023-24 by 16-21% to 12,000-12,500 km. The overall road construction project pipeline remains robust at 55,000 km across various execution stages. These realities indicate that a structural shift is underway that could strengthen India's positioning as a long-term provider of manufactured products and its emergence as a credible global supplier of goods and services.

Industrial Structure and Developments

Your Company is a registered Share Transfer Agent from SEBI since 1995. It is successfully handling share transfer activities for various client Companies & serving more than 1,00,000 shareholders. Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Sarthak Global Ltd. (herein referred to as "the Company"), which comprise the balance sheet as at March 31, 2023, and the statement of Profit and Loss (including other Comprehensive Income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profits and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters are addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How the matter was addressed in our Audit
<p>I. Investments in quoted equity instruments, unquoted equity instruments and mutual funds having carrying value of Rs. 20.28 lakhs. (Refer Note 4 to the financial statements).</p> <p>The Company holds investments having carrying value of Rs. 20.28 lakhs as at the reporting date.</p> <p>We have decided this item as a key audit matter because the value of investments in equity and mutual funds are subject to fair valuation and it is therefore susceptible to misstatement.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> ✓ Understanding the Company's processes and procedures for initial measurement and subsequent measurement of investments. ✓ Testing the design, implementation and operating effectiveness of Company's general IT controls, key manual and application controls over the Company's IT systems. They cover control over initial measurement and subsequent measurement of investments. ✓ Inspecting on sample basis, documents for valuation, and assessing the company's policy for initial measurement and subsequent measurement of investments with reference to the requirements of the applicable accounting standards. ✓ Assessing the methods used to carry out initial and measurement and subsequent measurement and ensuring ourselves of the consistency of accounting methods. ✓ Testing of cutoffs and performing analytical review procedures. ✓ Checking completeness and accuracy of the data used by the Company for initial measurement and subsequent measurement of investments. ✓ Assessing of appropriateness of disclosures provided in the financial statements.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' responsibilities for the Audit of the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has not realistic alternative to do so.

The Board of Directors are responsible for over viewing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of the users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management's and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the financial statements

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charge with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation preclude public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone balance sheet, the standalone statement of Profit and Loss (including Other Comprehensive Income), the standalone statement of changes in equity and the standalone statement of Cash Flows dealt with by this report are in agreement with relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014,
 - e) On the basis of written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has no pending litigations.
 - ii. The Company did not have any long-term contracts for which there were any material foreseeable losses.
 - iii. There is no amount required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in notes 5(ii), 9(ii), 9(iii) and 9(iv) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate beneficiary") by or on behalf of the company, or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in notes 5(ii), 9(ii) and 9(iii) to the financial statements, no funds have been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party, or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year.
3. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 read with schedule V of the Act. The remuneration paid to any director is not in excess of the limit laid under section 197 read with schedule V of the Act.
4. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government in terms of section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

ANNEXURE –A TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements section of our report to the members of Sarthak Global Limited)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**Opinion**

We have audited the internal financial controls over financial reporting of M/S Sarthak Global Limited (“the Company”) as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure B to the Independent Auditor's Report of even date on the Standalone Financial Statements of Sarthak Global Limited for the year ended 31st March 2023

(Referred to in paragraph 4, under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

- (i) (a) (A) The company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The company has no intangible assets as at the reporting date.
- (b) The company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not hold any immovable property. Accordingly, the sub-clause (c) is not applicable to the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment during the year. Accordingly, the sub-clause (d) is not applicable to the Company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder. Accordingly, the sub-clause (e) is not applicable to the Company.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned over draft limits which does not exceed rupees five crore, in aggregate, from banks on the basis of security of current assets. Accordingly, the sub-clause (b) is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has neither made investments in, nor provided guarantee or security to companies, firms limited liability partnership or any other parties during the year. NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023.**1 Corporate information**

Sarthak Global Limited (The "Company"), domiciled in India and incorporated on 19th April, 1985 under the provisions of the Companies Act, 1956 and having its registered office at 609, Floor-6, West Wing, Tulsiani Chambers, Nariman Point, Mumbai, Maharashtra-400021 India. The company is the trader of various commodities, investments and trading in securities with rendering services as share transfer agent during the year.

2 Basis of preparation, presentation and significant accounting policies**2.1 Statement of Compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The Board of Directors approved the financial statements for the year ended 31st March, 2023 and authorised for issue on 26th May, 2023.

2.2 Basis of preparation and presentation**a. Basis of Preparation**

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value, recoverable amount or net realisable value in accordance with Indian Accounting Standards. The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

b. Basis of Presentation

i. The Balance Sheet, Statement of Profit and Loss and Statement of Changes in Equity are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows" by use of indirect method. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

ii. The Company's Financial Statements are presented in Indian Rupees (INR), which is also its functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated, as permitted by Schedule III to the Companies Act, 2013.

Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes to these financial statements.

iii. Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current / Non-Current classification.

An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:-

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

2.3 Key Accounting Estimates and Judgements

The preparation of these standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. The Company uses the following critical accounting estimates in preparation of its financial statements.

Key sources of estimation of uncertainty at the reporting date of financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives and carrying amounts of property, plant and equipment, fair value measurements of financial instruments, revenue recognition and employee benefits, these are discussed below.

Outcomes within the next financial year that are different from the assumption could require a material adjustment to the carrying amount of the asset or liability.

a) Property, Plant and Equipment

Judgement is required in applying the recognition criteria as to what constitutes an item of property, plant and equipment. The Company uses judgement to assess the degree of certainty attached to the flow of future economic benefits that are attributable to the use of the asset on the basis of the evidence available at the time of initial recognition. The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The Company reviews its carrying value of Property, plant and equipment carried at cost (net of impairment, if any) annually, when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss. It involves, among other techniques, estimations in respect of expected future cash flows and discount rates to arrive at present value of expected cash flows.

The carrying amount of Property, plant and Equipment is given at Note No. 3

b) Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted price in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

The carrying value of fair value of financial instruments is given at note no. 4 to 5, 7 to 10, 15, 17 to 19.

c) Revenue Recognition

The Company derives its revenue primarily from sale of merchandise and share transfer agency services.

The Company's contract with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgment is also required to determine the transaction price for the contract and to ascribe the transaction price to each distinct performance obligation. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component.

The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

The Company exercises judgment in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

The Company uses judgement to estimate the value of the goods or services to the customer transferred to date relative to the remaining goods or services promised under contract which is used to determine the degree of completion of the performance obligation.

The amount of revenue recognised is given in Note No. 21.

2.4 Recent accounting developments

Ministry of Corporate Affairs (MCA), vide notification dated March 31, 2023, has made some amendments to Ind AS. These amendments inter alia, include:

(i) Amendments to Ind AS 1 Presentation of Financial Statements where the companies are now required to disclose material accounting policies rather than their significant accounting policies.

(ii) Amendments to Ind AS 8, Accounting policies, Changes in Accounting Estimates and Errors where the definition of 'change in account estimate' has been replaced by revised definition of 'accounting estimate'.

(iii) Amendments Ind AS 12, Income Taxes where the scope of Initial Recognition Exemption (IRE) has been narrowed down.

Based on preliminary assessment, the Company does not have expect these amendments to have any significant impact on its standalone financial statements.

2.5 Summary of Significant Accounting Policies

a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost after deducting trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost, non-refundable purchase taxes, any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

The Company has opted cost model as its accounting policy for measurement after recognition.

Depreciation on Property, Plant and Equipment is provided using Straight Line Method taking life of the assets as given in the Schedule -II of Companies Act, 2013 on 95% of value of assets.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate .

Gains or losses arising from de-recognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised .

Property, plant and equipment are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

b) Intangible Assets

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

The Company has opted cost model as its accounting policy for measurement after recognition.

Gains or losses arising from de-recognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

The Company's intangible assets comprises assets with finite useful life which are amortised on a straight-line basis over the period of their expected useful life.

Intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

c) Inventories

Inventories consist of shares held in other entities. Inventories are valued at the lower of cost and net releasable value. The cost of inventories shall comprise all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present, location and condition. The costs of inventories are assigned using the first in, first out (FIFO) formula. When inventories are sold, the carrying amount of those inventories shall be recognised as an expense in the period in which the related revenue is recognised.

d) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e) Financial Instruments

Financial Assets

Initial Recognition and Measurement

The company recognises a financial asset when it becomes party to the contractual provisions of the instrument. All Financial Assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value through Profit or Loss, are adjusted to the fair value on initial recognition.

Where the fair value of the financial asset at initial recognition differs from the transaction price an entity account for the difference as follows:

- As a gain or loss, if that fair value is evidenced by a quoted price in an active market for an identical asset or liability, is deferred in other cases. The deferred difference is recognised as a gain or loss only to the extent it arises from a change in factor (including time) that market participants would take into account when pricing the asset or liability.

Subsequent Measurement

Financial Assets measured at Amortised Cost

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represent solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at Fair Value through Other Comprehensive Income

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at Fair Value through Profit or Loss

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Reclassification of Financial Assets

Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

Financial Liabilities**Initial Recognition and Measurement**

The company recognises a financial liability when it becomes party to the contractual provisions of the instrument. All Financial Liabilities are recognised at fair value and in case of financial liabilities classified as 'subsequently measured at amortised cost' are shown net of directly attributable cost.

Where the fair value of the financial liability at initial recognition differs from the transaction price an entity account for the difference as follows:

- As a gain or loss, if that fair value is evidenced by a quoted price in an active market for an identical asset or liability,
- Is deferred in other cases. The deferred difference is recognised as a gain or loss only to the extent it arises from a change in factor (including time) that market participants would take into account when pricing the asset or liability.

Subsequent Measurement

Financial Liabilities which are classified as 'subsequently measured at amortised cost' are carried at amortised cost using the effective interest method.

f) Provisions**Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

g) Contingent Liabilities

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

h) Revenue Recognition

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

Sale of Goods

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Share transfer agency services

Revenue from rendering of other services is recognised over time by measuring the progress towards complete satisfaction of performance obligations by using output method at the reporting period.

Interest Income

Interest Income from a Financial Assets is recognised using effective interest rate method.

i) Contract Balances**Trade Receivables**

A receivable represents the Company's right to an amount of consideration that is unconditional.

Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

j) Employee Benefits Expense**Short-Term Employee Benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

k) Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

l) Income Taxes**Income taxes**

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current taxes

Current tax liabilities and assets are measured at the amount expected to be paid to or recovered from the Income Tax authorities, based on tax rates and laws that are enacted at the reporting date.

Deferred taxes

Deferred tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

m) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share.

Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.
